

ADVS Assessment [2019-2020]

Emphasis: Animal & Dairy Science

Disciplinary Knowledge [DK]: Learning Outcome [LO] #2

Semester/Course: Fall 2019: ADSV 1100: Introduction to Animal Science

Artifact: Week #3 Discussion

Week #3 Discussion is an assessment of DKLO #2. The assessment measures the student's ability to summarize the nature, intent, and scope of animal/dairy science by requiring students to discuss the two feral groups of animals that often fall under public scrutiny and controversy; feral cat colonies and free-roaming horses.

2. Summarize the nature, intent and scope of animal/dairy science.
