

ADVS Assessment [2019-2020]

Emphasis: Animal and Dairy Science

Skills & Career Competencies [SCC]: Learning Outcome [LO] #1

Semester/Course: Spring 2020: ADSV 2200: Animal Anatomy and Physiology

Artifact: Annotated Bibliography

The Annotated Bibliography assignment is an assessment of SCCLO #1. The assessment measures the student's ability to find and utilize reading materials appropriate to the Animal Anatomy & Physiology course that will be used to write and present a final research paper.

1. Explain reading materials appropriate to course levels.
