

ADVS Assessment [2019-2020]

Emphasis: Bioveterinary

Disciplinary Knowledge [DK]: Learning Outcome [LO] #4

Semester/Course: Fall 2019: ADVS 3500: Principles of Animal Nutrition

Artifact: Research Paper and Presentation

The Research Paper and Presentation is an assessment of DKLO#4. This assesses the student's understanding in the discipline of animal genetics, health, nutrition, and reproduction by requiring them to choose a topic that relates to their career goals and nutrition and write a 1 to 2-page research paper and present it to the class.

1. Demonstrate a basic knowledge of animal productions, including breeding, nutrition and reproduction.
