Items & Discussion

1st Item Updates and Announcements

TESY Awards Banquet:

Waiting for students to respond. Art needs to work on awards. Fall Advisory Meeting is to ask for adjustments we need to make to the program. Spring Advisory Meeting and Banquet is the presentation of changes made from fall meeting and awarding students. Faculty can send in a list of things they want to present at the Spring Awards banquet. Chenese and Steve will compile an Agenda where faculty can talk about changes made.

Let students and attendees know dress code: Business Casual

Email again nominated students with less formal email and that we're interested in their response.

Gen Ed Designations

TESY 3020- Haven't met on that yet. Be nice to submit in July.

Scheduling

Rearrangement of ICT and Cyber classes. Michael emailed Steve the changes.

Trevor and Nate-changing up classes as well. Spoke with Andrew and they are going to teach in TESI 4230 only in the Fall and TESI 1030 only in the Spring at the Brigham City campus.

Look at current summer and fall schedule. Work with Bethany on this to make sure the changes are right. Sent to Chenese, Steve, and Andrew. Make sure Engineering Tech courses are on the books for Fall.

Engineering Tech-Continue on course development. Need to be done by July 1, 2024. Get summer pay for that.

Faculty-schedule annual review with Dr. Warnick

Advisors-Influx of calls for Engineering Tech degree. Still send those to Dan Allred. Committee meeting this afternoon to select a finalist for Engineering Tech Advisor. Look to have them by the end of March. Dan has a list of classes students can take until things are up and running.

Talent Ready Utah Grant Proposals

Hill Air Force is trying to duplicate a stackable program out of Ohio that is automation-related. Hill Air Force base is trying to work with Weber, but we might want to set up a time to meet them. Melissa will reach out to Stacy at Davis Tech to see if HAF wants to attend the USU Kaysville Open House.
