

**Price List of Reagent and Consumables From 454**

As of 9/30/2009

Material Number	Description	LIST Price per item	NET Price per item
<b>Genome Sequencer System- Standard Series Reagents &amp; Consumables</b>			
04 852 265 001	Library Preparation Kit- For preparation of 10 DNA libraries	\$2,010.00	\$1,829.00
05 144 523 001	GS Multiplex Identifiers (MID) 1-6- For preparation of up to 60 DNA libraries. To be used with emPCR II kit.	\$750.00	\$750.00
05 144 507 001	GS Multiplex Identifiers (MID) 7-12- For preparation of up to 60 DNA libraries. To be used with emPCR II kit.	\$750.00	\$750.00
04 891 457 001	Paired End Adapter Kit - For preparation of 10 paired-end libraries	\$600.00	\$546.00
05 160 570 001	GS Nebulizer Kit- For preparation of long paired end tags using the Paired End Adapter Kit. Kit contains 10 nebulizers.	\$190.00	\$190.00
04 852 290 001	emPCR Kit I (Shotgun) - For preparation of 16 emulsions	\$900.00	\$625.00
04 891 384 001	emPCR Kit II (Amplicon A, Paired-End)- For preparation of 16 emulsions	\$900.00	\$625.00
04 891 392 001	emPCR Kit III (Amplicon B) - For preparation of 16 emulsions	\$900.00	\$625.00
04 932 315 001	GS LR 70 Sequencing Kit (100 cycle- 70 x 75)	\$5,300.00	\$3,230.00
05 029 074 001	GS SR 70 Sequencing kit (42 cycle, 70 x 75)	\$2,100.00	\$1,500.00
04 852 427 001	PicoTiterPlate Kit (70 x 75)- with each of four (4) gasket formats: Two (2) region; Four (4) region; Eight (8) region and Sixteen (16) region gaskets	\$895.00	\$500.00
05 029 066 001	GS LR 25 Sequencing Kit (100 cycle, 25 x 75)	\$1,100.00	\$1,000.00
05 029 082 001	PicoTiterPlate Kit (25 x 75)-each with two (2) gasket formats: One (1) region and Four (4) region gaskets	\$595.00	\$375.00
04 955 536 001	GS FLX- Control DNA Beads	\$180.00	\$163.80
04 932 358 001	GS FLX- Maintenance Wash Kit- Cleans and sterilizes the fluidics components. Required one-per-week if instrument is idle	\$225.00	\$204.75
Total		\$17,395.00	\$12,913.55

<b>Genome Sequencer System-Titanium Series Reagents &amp; Consumables</b>			
05 233 526 001	GS Titanium Sequencing Kit XLR70- (200 cycle - 70 x 75) For use with the GS Titanium PicoTiterPlate Kit 70x75	\$3,495.00	\$2,900.85
05 233 542 001	GS Titanium LV emPCR Kit (Lib-L) - emPCR kit for the 2-region 70x75 PTP; Polymerase included	\$1,495.00	\$1,240.85
05 233 658 001	GS Titanium emPCR Breaking Kits LV 12pc - Kit contains 12 individually packaged breaking devices for breaking from 6 to 12 (or more) runs worth of LVE emulsions.	\$359.00	\$359.00
05 233 615 001	GS Titanium SV emPCR Kit (Lib-L)-emPCR kit for a 4, 8, 16-region 70x75 PTP; Polymerase included	\$1,495.00	\$1,240.85
05 233 674 001	GS Titanium emPCR Filters SV 64pc - Kit contains 64 individual filters for breaking from 1 to 4 emulsions each for a total of 64 to 256 emulsions or 6 to 24 runs.	\$119.00	\$119.00
05 233 747 001	GS Titanium General Library Prep Kit- for preparation of 10 DNA libraries	\$1,490.00	\$1,490.00
05 233 682 001	GS Titanium PicoTiterPlate Kit 70x75-PTP with unique metallic coating to be used only with Titanium emPCR and Titanium Sequencing Kit XLR70. Plate uses all of the same gaskets that are currently available (2-, 4-, 8- and 16-region)	\$995.00	\$825.85
Total		\$9,448.00	\$8,176.40

<b>Genome Sequencer System-Accessories</b>			
04 777 069 001	Large (70 x 75) Bead Deposition Device, Complete- 2 Regions	\$895.00	\$895.00
04 840 712 001	Large (70 x 75) Bead Deposition Device, Complete- 4 Regions	\$895.00	\$895.00
05 144 493 001	Large (70 x 75) Bead Deposition Device, Complete- 8 Regions	\$895.00	\$895.00
04 840 682 001	Large (70 x 75) Bead Deposition Device, Complete- 16 Regions	\$895.00	\$895.00
05 028 817 001	Medium (25 x 75) Bead Deposition Device- 1 Region	\$895.00	\$895.00
05 028 957 001	Small (25 x 75) Bead Deposition Device- 4 Regions	\$895.00	\$895.00
04 959 680 001	GS FLX Pre-wash Tube Insert	\$215.00	\$215.00
04 959 671 001	GS FLX Reagents Cassette	\$150.00	\$150.00
04 777 115 001	Counterweight for the Bead Deposition Devices	\$75.00	\$75.00
04 777 018 001	Camera Faceplate Guard	\$195.00	\$195.00
04 777 026 001	Nebulizer Holder	\$165.00	\$165.00
05 233 887 001	GS Titanium emPCR Shaker Adapters LV	\$298.00	\$298.00
	Processing Fee	\$28.00	
Total		\$6,496.00	\$6,468.00
