<i>Other courses at 5000-6000 level as approved by Advisor**</i>		<i>Include information for other electives taken on next page</i>	
Elective Project-Based Courses			
NDFS 6180, Food Inspection Auditing (1-2 cr)	Fall, Spring		
NDFS 6950, MFSQ Special Problems (1-4 cr)***	Fall, Spring		
<i>Total Credits from Elective Courses</i>			
Total Credits Taken towards MFSQ Degree (minimum 33 credits)			

*Required Courses that were taken as part of an undergraduate degree do not need to be repeated. Those credits can be replaced with required (e.g. additional 617X-series or Capstone credits) or elective courses. A minimum of 33 credits must be taken as part of the MFSQ degree.

**Electives shown here are part of the MFSQ Online Degree program. Other elective courses will be considered on a case-by-case basis.

***Repeatable for credit. If taken multiple semesters, please give additional information on the following page.

Additional Information

NDFS 6950, Special Problems, taken multiple semesters

Please list each semester NDFS 6950 was/will be taken, the number of credits each semester, and if this involves multiple projects.

Other Courses taken as elective credits

For each course not listed on the previous page, please list course number & name, semester taken, and credits. *It is your responsibility to ensure that you meet any prerequisites for non-MFSQ courses* and that your Advisor agrees to count these courses towards fulfilling degree requirements.
