Since our founding in 1888 as a land-grant university, Utah State University has become a premiere undergraduate research institution known throughout the world for its intellectual and technological leadership.

You graduate with more than a degree, you graduate an Aggie.

STUDENTS FROM
50 STATES
88 COUNTRIES
Over 28,000 students call Utah State home. USU’s main campus in Logan provides a traditional college experience and student life. Our Eastern campuses in Price and Blanding, along with the 30 additional campuses and centers throughout Utah, offer unique programs and convenient locations.

USU-Online gives students the ability to take classes anywhere, and is ranked one of the top online programs in the nation.

No matter where you attend, your diploma will have the same three renowned words – Utah State University.
MORE THAN A DEGREE

USU students receive an exemplary education thanks to hands-on learning, award-winning professors, nationally ranked programs, and real-world experience.

Aggies start their careers with confidence. Over 75% of students participate in field work or internships by their senior year.

We strive to impact our community, the nation, and the world. Utah State gives students a unique opportunity to do research in almost every degree. You won’t be limited to just a classroom. From artistic expression to scientific exploration, from farmland to space—Aggies go wherever the research takes them.

SPIDER SILK
Creating synthetic spider silk to produce clothing, bulletproof skins, airbags, repair ligaments, and to prevent infection.

GREAT BARRIER REEF
Conducting biological and ecological research in Australia to help preserve coral reefs, quantify abundances of fish and algae, and protect the ecosystems that provide food for tens of millions of people.

AEROSPACE
We are a NASA space-grant university and the number one space research-funded university in the nation. Our students send more experiments into space than any other university in the world.

TIMELESS TRADITIONS

We stay true to our roots. Over 300,000 Aggies have passed through USU, keeping old traditions alive and starting new ones along the way.

LIGHT THE "A" BLUE
The iconic "A" on Old Main's tower lights the sky blue after Aggie victories and on True Aggie nights.

A TRUE SCOTSMAN
Nothing pumps more adrenaline than our song "The Scotsman," written by an Aggie in 1918.

OLD MAIN HILL
Take a break between classes, grab your gear, and sled down Old Main Hill.

AGGIE ICE CREAM
Aggie Ice Cream’s 26 flavors have enriched diets since 1921. Voted #1 in Utah (ksl.com).

TRUE AGGIE NIGHT
Stand on the "A" and kiss a True Aggie, or kiss anyone on the night of Homecoming or A-Day.

FINALS WEEK HOWL
Bring your headphones, dance to your song, and howl away your test anxiety.
As Utah’s largest public residential campus, we’re more than a college town, we’re a community full of Aggie pride. Located in the heart of Logan and surrounded by mountains, we enjoy the outdoors and the thriving art culture.

We are consistently ranked one of the safest and most scenic campuses in America.

WE’RE CLOSER THAN YOU THINK
There is no better way to enhance your college experience than getting involved. We offer unique events, traditions, and activities to enhance your student life. Join clubs, create your own club, lead an organization, run for student government, or compete with your friends in intramural sports and try to win the coveted championship t-shirt.

College is more than studying and grades. USU offers multiple ways to get involved and stay active. It’s not required, just highly recommended.
