

Curriculum Vitae of Bruce Bugbee

Professional Preparation

B.S. University of Minnesota
M.S. University of California, Davis
Ph.D. Penn State University

Experience

Assistant Professor Plant Science Department, Utah State University
Associate Professor Plants, Soils, & Biometeorology Dept. USU
Professor Plants, Soils, & Climate Dept. USU

Awards

2020	Fellow	American Soc. Horticultural Science
2018	Fellow	American Society of Agronomy
2017	Distinguished Alumni	Penn State University
2016	D. Wynne Thorne Career Research award	Utah State University
2015	Distinguished Professor	College of Agriculture
2012	Governor's Medal for Science	State of Utah
2005	Researcher of the Year	College of Agriculture
2001	Outstanding Graduate Mentor	Utah State University
2001	Top Professor Award	Utah State University

National Committee Appointments and Positions

Elected Chairman, Biophysical sensors and measurements community, Am. Soc. Agronomy (2014-2015)

Elected chairman of the Crop Physiology division, Am. Soc. of Agronomy (2003-2004)

Invited to review of NASA Life Sciences research for the National Research Council (1996-97). This resulted in co-editing the book, "Advanced Technology for Human Life Support in Space."

Invited to serve on the American Association of Biological Sciences Advisory panel to review research proposals (3 invitations: 1992; 2001; 2008)

Nominated for NSF Presidential Young Investigator Award (1987)

Professional Service

Reviewed 62 manuscripts and 28 proposals in the past 10 years (2013-2023) for scientific journals and public agencies.

Publications

h-index 53; i10-index 116; i100-index 25
