

Policy 1.1: Department Alcohol Policy

Per USU policy, alcohol purchases cannot be made with a P-card or All-card. The purchase of alcohol may be allowed with approval of the Dean or Vice President and must be limited to \$20.00 per person. Anything over that amount will not be reimbursed to the purchaser. Charges for alcohol may not be paid from state appropriated funds or federal funds (only fund type 18 should be used). If you are unsure about your fund type, please reach out to your Business Manager.
